Note: the National Grid branding takes precedence over the unit manufacturer branding. Remove manufacturers decals to accommodate 24" National Grid logo. If 24" logo will not fit due to components of equipment, alternative decal MKKE0054 16" wide by 3.3" high logo can be used.

Installation Note: 4" High Conspiquity Stripe goes along the bottom of each side
Part #MKKE0074 may require edge sealing tape during installation
Unit Numbers, 1 on each side and one on rear
811 decals, on per side to the rear of the unit

Conspiquity Installation Note:
 The yellow and orange conspicuity is in addition to any existing DOT red and white conspicuity and should not cover the red and white stripe.
